

ABSTRACT

The present invention provides amino acid sequences obtained from the active principles in Chinese traditional medicine musk, such as SDSECPLLCEVWILK (SEQ ID NO:1), SDSECPLLPRQGTGSLH (SEQ ID NO:2), IDCECPLLEAKCPSFPLWPQGREERQ (SEQ ID NO:3), SDSECPLLLNGTNTSSRFESINCVFLSTEEGC (SEQ ID NO:4) and their acetic salts. The preparation of the amino acid sequences and their use as anti-inflammatory medicines or immunity inhibitors are also disclosed by this invention.
